President's Report

What a powerful night we had last Tuesday. “You’re not alone” at the Goonawarra Golf Club was a very successful night attracting at least 50 people including speakers. Brad Towers from Subury Police and PP Kerry Kirk did an amazing job preparing for this night with some fabulous guest speakers. Mark Eustice, an ex football player from Essendon, Richmond and Sydney Swans, was the main speaker. He spoke about his drug addiction after football and his recovery in rehab. He has now been clean for 8 years and 3 months. A remarkable story by Mark. It touched my heart to hear the stories from our guests and also the audience.

It worked! We reached out to the community as planned and now another drug forum will be organised for a later date. Well done and a big thank you to all involved helping with the night.

Fred and I will be away from 6th August until 4th September, so I will leave you all in the good hands of PP Kerry. Two weeks will be spent in Cambodia doing our charity work with the new Mums and some rural schools. I have been invited to speak at the Rotary Club of Battambang where Rob Rindo is working. It will be great to catch up with him and all my friends in Battambang and Siem Reap.

Don't forget the market on 10th August. We need as many helpers as possible to make this a successful day.

Thankyou to everyone who helped with the Bunnings BBQ and Cash for Cans. These events would not go ahead without your support.

See you in September

Yours in Rotary
 President Janine Reinking.

Have a Laugh

Two blokes were working for Dundee City Council Public Works department. One would dig a hole and the other would follow behind him and fill the hole in.

They worked up one side of the street, then down the other, then moved on to the next street, working furiously all day without rest, one man digging a hole, the other filling it in again. An onlooker was amazed at their hard work, but couldn't understand what they were doing.

So he asked the hole digger. 'I'm impressed by the effort you two are putting in to your work, but I don't get it! Why do you dig a hole, only to have your partner follow behind and fill it up again?' The hole digger wiped his brow and sighed. 'Well, it probably looks odd because we're normally a three-person team; but today, the lad who plants the trees, called in sick.'
